If any of the goods are sold overseas while covered by an ATA Carnet, I accept that penalty or claims handling fees of up to \$500 NZD may be payable to the Wellington Chamber of Commerce.

I understand it is my responsibility to prove that the goods were not sold if the Foreign Re-exportation page and/or the New Zealand Re-importation page has not been completed by customs.

INFORMATION ABOUT CARNET FEES

Please note

All prices are exclusive of GST.

Different courier options are available depending on your needs ranging from an overnight track and trace to same day Pace services.

The Chamber cannot guarantee availability of Next Day or Same Day Service.

Only 1 overseas country is included in the initial carnet fee.

The time frames are based on working days. Public holidays are not included in the hours allowance.

If the Chamber is required to arrange a courier the time frame is calculated from when the carnet needs to be posted - not when the carnet is needed.

The Urgent and Same Day processing times are subject to the Chambers workload and this service cannot be guaranteed.

Carnets cannot be sent to customers until the bond/indemnity/security is in place.

Both the fully completed and signed application form, goods list and bond must be received by the Chamber within the allotted times above to qualify for a particular price.

Carnets and pages requested but unused will still incur all processing fees.

Regularisation Fees

Please ensure that the white re-exportation form is completed by US Customs when the goods depart the USA. Goods must be re-exported from the USA prior to the expiry of the Carnet.

If the re-exportation counterfoil is not completed by US Customs then a regularisation fee will become payable to the Wellington Chamber of Commerce to cover the penalty fees levied by US Customs.

If goods are not re-exported prior to the expiry date, penalty fees, and full payment of taxes/duties will be required.
